The Levy County School Board Exceptional Student Education and Student Services Department continually strives to strengthen our services to students and families by working together collaboratively with our teachers, therapists, support personnel and administration.

PARENT INVOLVEMENT

EXCEPTIONAL EDUCATION IN FLORIDA

Feeling lost? We can help!

The Florida Diagnostic and Learning Resources System (FDLRS) is pleased to announce the launch of the new **Parent Involvement Website**.

The site is designed specifically to assist parents as they navigate the exceptional student education (ESE) process, from Pre-K through transition to college and/or career. This helpful site provides valuable information and resources related to ESE services and students with disabilities.

On the site you'll find success stories; information geared to various grade levels; contact lists for school districts, parent centers, and related agencies; a glossary of terms; and more!
